

Student Inquiry Organizer

The Student Inquiry Organizer is a flowchart with the following steps:

- My question is:** (light blue box)
- What I already know about this topic:** (light green box)
- How I plan to find out more about this:** (light grey box)
- What I have learned:** (light blue box)
- Answer/solutions to my question, or decision made:** (light green box)
- Connections to other subjects/areas of my life:** (light blue box)
- What Actions/Next Steps:** (light blue box)
- What questions do I have now? What else do I want to know?** (light grey box)

Flow: My question is → What I already know about this topic → How I plan to find out more about this → What I have learned → Answer/solutions to my question, or decision made → Connections to other subjects/areas of my life → What Actions/Next Steps → What questions do I have now? What else do I want to know?
